SETH ANANDRAM JAIPURIA EDUCATION SOCIETY

JAIPURIA SCHOOL OF BUSINESS

Assembly taken by the **SAHAJ YOGA TEAM** on 29/11/2016: The Sahaj Yoga team led by Retd. Director U.P Corporation Mr. Radhey Mohan conducted a special session for the children on 'How to find God in ourself'.

A presentation was shown to the children through which the children were made to understand how 'Sahaj Yoga' can help them to become well mannered, obedient, have a good attention span, be more focused towards studies and above all be more peaceful.

He told them that just as weeds hamper the growth of the crop, similarly as we grow we take a lot of things from our society which may

not be considered as divine knowledge. This diminishes our productivity and inner peace but through 'Sahaj Yoga' it rejuvenates us. The children were shown the 'Kundalini through a diagram which is a triangular bone at the base of the spine. The energy in us radiates and through a series of 7 chakras, emerges out from the head in the form of cool vibrations. A small prayer / meditation session was conducted and the children and teachers said the affirmations and asked for blessings from Shr. Mataji Nirmala Devi – the spiritual mother of Sahaj Yogis.

Principal Ma'am appreciated the session and informed everyone that similar prayer sessions will be conducted every Tuesday and Friday during morning assembly. She was confident that its benefits would be felt by everyone in a short span of time.

Street play

At JSB, all the events are organized and coordinated by the students themselves and this inculcates in them the sense of management. On 17th September, 2016, Centre for Change and Development, Jaipuria School of Business, organized an event "Street Play on Change and Development". Various themes were touched upon and beautifully presented.

The most innovative invention: Students of PGDM I participated in the activity "The Most Innovative Invention" on 14th September, 2016
