The above training was very much appreciated by all the participants in present context.

Participants have requested us to repeat such initiatives in the times to come. A Glimpse of the events have also been captured for a glance. A video containing the speech of our esteemed CMD depicting importance of Human Resource function was sent to all employees through the communication method like E-Mails or Whatsapp group etc.

GINNI FILTRATION: Has crossed its first benchmark sale of Rs. 1 Cr. sale of RO Membranes. Ginni Filtration proudly extends its products through dealer network by appointing new dealers in Agra and Gurgaon.

Ginni Filtration has participated in 14th EA Water Expo held at Pragati Maidan from 29th June 2017 to 1st July 2017, wherein we displayed our range of products of Filters, Industrial RO membranes and displayed household domestic small membrane. Our brand received overwhelming response from the customers, visitors and exhibitors. We created waves for Ginnineo products. We received numerous enquiries and dealership response. Central Water Commission Head Dr. K.B Biswas visited our booth along with other senior government officials.

After an excellent response in the Industrial market for our RO Membranes, in the Expo Ginni Filtration has launched its new product for the domestic water market of India, GINNI FILTRATION thus welcomes DOMESTIC RO membranes into GINNINEO products basket.

• **AWARDS AND ACCOLADES:** Ashok Srivastava – Assistant Vice President Ginni Filtration was awarded by ASSOCHAM - EA WATER forum award ceremony on 30th June at Hotel Le Meredian, at New Delhi.

• **MR. ASHOK SRIVASTAVA:** Asst. Vice President-Filtration was invited by EA Water as a Guest Speaker and he gave away a presentation on “Importance of pretreatment in drinking water with respect to GINNINEO RO MEMBRANE technology” on 1st July.
