24. Route map showing directions to reach the venue of the 40th AGM is annexed.
25. The Company has sent individual letters to all the Members holding shares of the Company in physical form for furnishing their PAN, KYC details and Nomination pursuant to SEBI Circular No. SEBI/HO/MIRSD/MIRSD-PoD-1/P/CIR/2023/37 dated March 16, 2023. SEBI has mandated through said Circular furnishing of PAN, KYC details (i.e., Postal Address with Pin Code, email address, mobile number, bank account details) and nomination details by holders of securities. Any service requests or complaints received from the member, will not be processed by RTA till the aforesaid details/ documents are provided to RTA. On or after 1st October, 2023, in case any of the above cited documents/ details are not furnished to RTA. The RTA can freeze such Folio(s). Relevant details and forms prescribed by SEBI in this regard are available on the website of the Company at www.ginnifilaments.com.
26. **Voting through electronic means :**
 - i) In compliance with the provisions of Section 108 of the Act read with relevant Rules made thereunder and Regulation 44 of the Listing Regulations, the Company is pleased to provide its Members, facility to exercise their right to vote at the 40th AGM by electronic voting system from a place other than the venue of the meeting ('remote e-voting') and the business may be transacted through remote e-voting services provided by Central Depository Services (India) Limited (CDSL). Remote e-voting is optional. The facility of voting by ballot/polling paper shall also be made available at the AGM and Members attending the AGM and who have not already cast their vote by remote e-voting shall be able to exercise their right to cast vote at the AGM.

- ii) The members who have cast their vote by remote e-voting prior to the AGM may also attend/participate in the AGM but shall not be entitled to cast their vote again.
- iii) The Company has appointed Mr. Jatin Gupta of M/s Jatin Gupta & Associates, Practicing Company Secretary, to act as the Scrutiniser to scrutinise the voting during the AGM and remote e-voting process in a fair and transparent manner and he has given his consent for the same.
- iv) The Scrutinizer shall immediately after the conclusion of the AGM, unblock the votes cast through remote e-voting and ballot paper during the AGM and will make, not later than 2 working days from the conclusion of the AGM, a consolidated scrutinizer's report of the total e-votes cast before the AGM and ballot paper during the AGM, in favour or against, if any, to the Chairman or a person authorized by him in writing, who shall countersign the same and declare the result of the voting forthwith.
- v) The Results declared along with the report of the Scrutinizer will be placed on the website of the Company at www.ginnifilaments.com and on the website of CDSL at www.evotingindia.com immediately after the declaration of result by the Chairman or a person authorized by him in writing. The results will also be immediately submitted to the National Stock Exchange of India Ltd., Mumbai.
- vi) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING:

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

Step 2 : Access through CDSL e-Voting system in case of shareholders holding shares in physical mode and non-individual shareholders in demat mode.

- i) The voting period **begins on 23.09.2022 at 9.00 AM and ends on 25.09.2022 at 5.00 PM**. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of **19th September, 2023** may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii) Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

- iv) In terms of **SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020** on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email ID in their demat accounts in order to access e-Voting facility.

MANAGEMENT AND DISCUSSION ANALYSIS

The Management of the Company is pleased to present its Report on Industry scenario including Company's performance during the financial year 2022-23.

1. Industry Structure and Developments

The industry continues to contribute immensely to the exchequer – 4% to the global trade in textiles and apparel, 2% to the GDP (approx. \$70 billion), and constitutes 7% of industry output in terms of value. As India strives to become Atmanirbhar, textiles assume higher significance in helping the country expand its global footprint and achieve the mission of Make in India for the world. No wonder it is called 'the silent cash cow'.

Further, textiles are one of the few industries to throw huge employment opportunities to both the skilled and unskilled workforce over 45 million direct jobs and another 100 million opportunities in allied sectors. It is also one of the primary sources of employment to include women, especially in rural India. This sector contributes immensely to foreign earnings. Government data states that roughly four crore people are engaged across the total textile value chain, and the number is only expected to increase. Sensing immense opportunities here, the government is even planning 75 textile hubs on lines of that in Tamil Nadu's Tiruppur. Name exports and the textile sector feature prominently in the list. The country's exports have steadily increased since FY16, barring a slight decline in FY20 and FY21 largely due to the Covid-19 pandemic. In FY22, textile exports contributed to around 15% of the earnings.

2. Opportunities and Threats

Fundamentally, the Indian Textile industry is supported by rich resources of raw materials availability in India. It is one of the largest producers of cotton in the world and is well placed in manufacturing of fibres like polyester, silk, viscose, jute, etc. It has highly trained and skilled manpower and has advantage of wage rates.

The Government has approved the Production Linked Incentive (PLI) Scheme for promotion of MMF Apparel, MMF Fabrics and Products of Technical Textiles. Incentives under the scheme will be available for 5 years period i.e. during FY 2025-26 to FY 2029-30 on incremental turnover achieved during FY 2024-25 to FY 2028-29 with a budgetary outlay of Rs. 10,683 crore.

Contractors of global demand of textiles due to after effects of Covid and due to prolong war between Russia and Ukraine is presently severally effecting textile industries and also Current Cotton high prices is reversing good performance achieved during recent past. The frequently changing policies stated by the government at the central and state levels create an immense pressure on the textile industry. The GST applied on the products make the garments and clothes even more expensive. Broken value chain in GST has created input credit accumulation issues.

Another challenge that the textile industry faces is the limitation to access the latest and best technology while also failing to meet the global standards in the competitive export market. Apart from these issues like child labour, competition from neighbouring countries regarding low-cost garments, personal safety norms are some of the challenges the Indian textile industry faces.

3. Segment-wise or product-wise performance

The Company has presently operated in textile and consumer products segments. The textile segment includes spinning, Knitting, fabric processing garment and spunlace nonwoven fabric, a technical textile product.

During recent past, Spinning and Fabric industry have shown adverse performance.

Company's technical textiles and Consumer product segments have witnessed lower demand in exports. However, because of aggressive marketing efforts made by management, we were able to show decent performance.

4. Risks and Concerns

The global demand of textiles is a big concern at present. The demand of textiles have been severally affected post covid effects and due to prolong war between Russia and Ukraine. The supply chains are being refigured as distributors are preferring to buy goods locally or from neighbouring countries.

5. Internal Control System and their adequacy

Internal control system means the orderly and efficient conduct of its business, including adherence to management policies. The company has Internal Control System commensurate with the size, scale and complexity of its operations. The framework

has been designed to provide reasonable assurance with respect to recording and providing reliable financial and operational information, complying with applicable laws, safeguarding assets from unauthorized use, executing transaction with proper authorization and ensuring compliance with corporate policies. The controls, based on the prevailing business conditions and processes have been tested during the year and no reportable material weakness in the design or effectiveness was observed.

The Company is in the process of implementing SAP to keep the Internal Control System framework robust and our Information Management Policy govern the platforms. The system, standard operating procedures and control are implemented by the executive leadership team and are reviewed by the internal audit team whose findings and recommendations are placed before the Audit Committee.

The Company has engaged independent Chartered Accountant firms with vast experience and knowledge in order to monitor internal controls. The scope and authority of the Internal Audit function is defined in the Internal Audit Charter. To maintain its objectivity and independence, the Internal Audit Function Report to The Chairman of the Audit Committee. The Internal Audit team develop an annual audit plan based on the risk profile of the business activities. The Internal Audit plan is approved by the Audit Committee, which also reviews compliance to the plan.

The Internal Audit team monitors and evaluates the efficiency and adequacy of internal control system in the Company, its compliance with operating system, accounting procedures and policies at all location of the Company and its subsidiaries. Based on the report of internal audit function, process owners undertake corrective action(s) in their respective area(s) and thereby strengthen the control. Significant audit observations and corrective action(s) thereon are presented to the Audit Committee.

6. **Outlook**

The consumption of textile products is an essential requirement of human needs and therefore, the long term outlook of the textile Industry globally and in India looks brighter. The strong availability of all fibers provide a positive outlook for textile industry in India. However, in short term textile industry is facing challenges of competition in demand.

7. **Financial performance with respect to operational performance.**

The same is referred to Audited Financial Statement which is forming part of the Annual Report of 2022-23 may be referred, however the overall financial performance figures are indicated in Directors report which is further enumerated below;

(Rs. in Lacs)

INDEPENDENT AUDITOR'S REPORT

To

The Members of

Ginni Filaments Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Ginni Filaments Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its loss including other comprehensive income, the changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key audit matters	How our audit addressed the key audit matter
Evaluation of Pending litigations before various forums (Refer note no.15 & 49 of the financial statements)	
The Company has pending litigations before various forums which involves significant judgment to determine the possible outcome of these disputes.	<p>In view of the significance of the matter, our audit procedures in this area includes the review of the following:</p> <ul style="list-style-type: none"> (i) We have obtained the details of the litigations pending before various forums for the year ended March 31, 2023 from the management. (ii) We have reviewed basis of assumptions made by the management in relation to the ongoing proceedings. (iii) We have had verbal discussions with internal and external legal experts of the Company and evaluated whether the stands taken by the management required any change. <p>Based on the above procedures, we found that the management's assessment to be reasonable.</p>

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's report including Annexures to Board's Report, Corporate Governance and Shareholder's Information but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Indian Accounting Standard ('Ind AS') and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative

materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this report are in agreement with the books of account;
 - d. In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act;
 - e. On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164(2) of the Act;
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;
 - g. With respect to other matters to be included in the auditor's report in accordance with the requirements of Section 197(16) of the Act, as amended. In our opinion, the managerial remuneration for the year ended March 31, 2023 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;
 - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer note 39 and 49 to the financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company;
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the

Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. The company has not declared or paid any dividend during the year.
- vi. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 (as amended) which provided for books of accounts to have the features of audit trails, edit log and edit related matters in the accounting software used by the Company, is applicable to the company only with effect from the financial year beginning from April 01, 2023, the reporting under clause Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 as amended, is currently not applicable.

Annexure "A" to the Independent Auditor's Report

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Ginni Filaments Limited of even date)

Report on the matters specified in paragraph 3 of the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Companies Act, 2013 ("the Act")

- i. In respect of the Company's Property, Plant and Equipment and Intangible Assets: -
 - a. (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, Plant and Equipment and relevant details of right-of-use assets.
 - (B) The company has maintained proper records showing full particulars of intangible assets.
 - b. The Company has a program of physical verification of Property, Plant and Equipment and right-to-use assets to cover all the assets once every three year which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain property, plant and equipment were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - c. Based on our examination, title deeds of all immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favor of the lessee), disclosed in the financial statements included under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.
 - d. The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.
 - e. No proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii. (a) The physical verification of inventory (excluding stocks with third parties) has been conducted at reasonable intervals by the Management during the year and, in our opinion, the coverage and procedure of such verification by the Management is appropriate (In respect of inventories lying with third parties, they have substantially been confirmed by them). The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory and have been properly dealt with in the books of accounts.
- (b) During the year, the Company has been sanctioned working capital limits in excess of Rs. 5 Crores, in aggregate, from banks on the basis of security of current assets. Based on the records examined by us in the normal course of the audit of the financial statements, the quarterly returns or statements with including revised filed by the company with the banks, which are generally in agreement with the unaudited books of account of the Company.
- iii. (a) The Company has not provided any guarantee or security or granted any loan and advances in nature of loans, secured or unsecured to companies, firms, Limited Liability Partnerships during the year.
- (b) In respect of the investment made, the terms and conditions under which such investment was made are not prejudicial to the Company's interest.
- (c) No loans and advances in the nature of loan given by the company, hence reporting under clause 3(iii)(c), (d), (e) and (f) are not applicable.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- v. According to the information and explanations given to us, the Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, reporting under Clause 3(v) of the Order are not applicable.
- vi. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended prescribed by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013 and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have not, however, made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- vii. According to the information and explanations given to us, in respect of statutory dues:
 - (a) In our opinion, the Company has generally been regular in depositing undisputed statutory dues, including provident fund, employees' state insurance, income-tax, sales tax, service tax, customs duty, excise duty, value added tax, goods and service tax, cess and other material statutory dues applicable to it with the appropriate authorities.

There are no undisputed amounts payable in respect of provident fund, employees' state insurance, income-tax, sales tax,

service tax, customs duty, excise duty, value added tax, goods and service tax, cess and other material statutory dues in arrears as at March 31, 2023 for a period of more than six months from the date they became payable.

- (b) Details of statutory dues referred to sub-clause (a) above which have not been deposited as on March 31, 2023 on account of disputes are given below:

Nature of Statute	Nature of dues	Forum where dispute is pending	Period(s) to which the amount relates	Amount involved (₹ in Lacs)	Amount Paid (₹ in Lacs)
UP Tax on Entry of Goods into Local Areas Act, 2007	Entry Tax	High Court, Allahabad	FY 1999-2000 to 2000-01 and FY 2003-04 to 2004-05	47.39	36.02
Income Tax Act, 1961	Income Tax	CIT (A)	AY 2008-09	14.19	Nil
Electricity Duty Act 1952	Levy of Electricity Duty Surcharge	District Court, Mathura	FY 1997-98	12.19	1.44

- viii. According to the information and explanation given to us and the records of the Company examined by us, there is no income surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961, that has not been recorded in the books of account.
- ix. (a) According to the records of the Company examined by us and the information and explanation given to us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest to any lender as at the balance sheet date.
- (b) According to the information and explanation given to us and on the basis of our audit procedures, we report that the Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion and according to the information and explanation given to us, the term loans have been applied for the purpose for which they were obtained.
- (d) According to the information and explanation given to us, and the procedures performed by us, and on the overall examination of the financial statements of the Company, we report that no funds raised on the short-term basis have been used for long-term purposes by the Company.

Annexure “B” to the Independent Auditor’s Report

(Referred to in paragraph 2 (f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the members of Ginni Filaments Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Ginni Filaments Limited (“the Company”) as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (“the Act”).

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (‘the Guidance Note’) and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial

control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes forming part of the Financial Statement for the year ended March 31, 2023

Note – 1 – Company overview

Ginni Filaments Ltd is a public limited company and it has been engaged primarily in the business of the manufacturing of textile products like cotton yarn, knitted fabric, non-woven fabric, garments, wipes and cosmetics at its factories located at Kosi Kalan (U.P.), Panoli (Gujarat), Noida (U.P.) and Haridwar (Uttarakhand). The shares of the company are listed on BSE and NSE.

Note – 2 – Significant Accounting Policies

a. Basis of preparation of financial statements

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standard) Rules, 2015 notified under section 133 of the Companies Act, 2013 as amended and other relevant provisions of the Act.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

b. Use of estimate and judgements

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made. Differences between actual results and estimates are recognised in the period in which the results are known/ materialised.

c. Revenue recognition

Revenue is recognised at the transaction price of the goods sold or service rendered. The amount disclosed as revenue is net of return and variable consideration on account of various discounts and schemes offered by the company.

The company recognizes revenue when the amount of revenue can be measured reliably and it is probable that the economic benefits associated with the transaction will flow to the entity.

(i) Sales of goods

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership of the goods are transferred to the buyer and the entity retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold.

The performance obligation in case of sales of goods is satisfied at a point in time i.e. Revenue from export sales is recognized when the material is shipped to the customer while Domestic sales is recognized on the basis of ex-factory dispatch as may be specified in the contract.

(ii) Sale of services

Revenue from services is accounted for on the basis of work performed and rendering of services as per the terms of the specific contract.

(iii) Export Incentives

Export benefits/incentives are accounted for on accrual basis.

(iv) Insurance and Other Claims

In accordance with the consistent practice, insurance and other claims, to the extent considered recoverable, are accounted for in the year relevant to claim while the balance is accounted for on settlement.

d. Employee benefits

(i) Short term Employee Benefits

Short Term Employee Benefits are recognized as an expense on an undiscounted basis in the statement of profit and loss of the year in which the related service is rendered.

Notes forming part of financial statements for the year ended March 31, 2023

(ii) **Post Employment Benefits**

(a) **Defined Contribution Plans**

Provident Fund

Retirement benefit in the form of provident fund is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service.

(b) **Defined benefit plans**

Gratuity

Liabilities with regard to the Gratuity Plan are determined by actuarial valuation, performed by an independent actuary, at each balance sheet date using the projected unit credit method. The Company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Remeasurements comprising of actuarial gains and losses, on the net defined benefit liability are recognised in Other Comprehensive Income which are not reclassified to profit or loss in subsequent periods.

Compensated Absences

The liability with regard to accumulated compensated absences is determined by actuarial valuation, performed by an independent actuary at each balance sheet date using projected unit credit method.

The Company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Remeasurements are recognised in statement of profit & loss in the period in which they arise.

e. **Property, plant and equipment**

Property, plant and equipment are stated at cost less accumulated depreciation / impairment loss, if any. Cost includes freight, duties, taxes, and other incidental expenses. Pre-operative expenses including eligible borrowing cost incurred during construction period are charged to Capital Work-in-Progress and on completion, the cost is allocated to the respective property, plant and equipment. Machinery spares which are specific to a particular item of the property, plant and equipment and if their use is expected to be irregular are capitalized as applicable.

f. **Intangible assets**

Intangible assets are stated at cost less accumulated amount of amortization. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use.

g. **Depreciation and amortisation expenses**

Depreciation on property, plant and equipment is provided on straight line method at the rate and in the manner prescribed in Schedule II of the Companies Act, 2013, w.e.f. 1st April, 2014 except in case of continuous Process plant. The depreciation on continuous Process Plant has been provided as per useful life technically evaluated by chartered engineer. Cost of leasehold land is amortized over the period of lease.

The Company has applied for the one-time transition exemption of considering the carrying cost on the transition date i.e. April 1, 2016 as the deemed cost under IND AS and hence regarded thereafter as historical cost.

h. **Inventories**

Raw materials, stores and spares are valued at lower of cost and net realizable value.

Work in progress and finished goods, stock in trade and stock in transit are valued at lower of cost and net realizable value. The costs of work in progress and finished goods include costs of raw material, conversion cost and other costs incurred in bringing the inventories to their present location and condition. Waste is valued at net realizable value.

Cost of inventories is computed on weighted average.

i. **Borrowing costs**

Borrowing cost attributable to acquisition and construction of qualifying assets are capitalized as a part of the cost of such asset up to the date when such asset is ready for its intended use. Other borrowing costs are charged to the Statement of Profit and

Loss Account.

j. Government Grants

Capital grants relating to property, plant and equipment are reduced from the gross value of property, plant and equipment. Revenue grants are credited in Statement of Profit and Loss or deducted from related expenses.

k. Income taxes

Income tax expense represents the sum of current and deferred tax (including MAT). Tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised directly in equity or other comprehensive income, in such cases the tax is also recognised directly in equity or in other comprehensive income.

Current tax is measured at the amount of tax expected to be payable on the taxable income for the year as determined in accordance with provision of Income tax Act, 1961.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the Balance sheet and the corresponding tax bases used in the computation of taxable profit and are accounted for using the balance sheet approach. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are generally recognized for all deductible temporary differences, carry forward tax losses and allowances to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, carry forward tax losses and allowances can be utilised. Deferred tax assets and liabilities are measured at the applicable tax rates. Deferred tax assets and deferred tax liabilities are off set and presented as net.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available against which the temporary differences can be utilised.

Credit of MAT is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the MAT credit becomes eligible to be recognized as an asset, the said asset is created by way of a credit to the profit and loss account and shown as MAT credit entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal income tax during the specified period.

l. Earnings per share

Basic earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value.

m. Foreign Currency Transactions

The functional currency of the company is Indian rupee. These financial statements are presented in Indian rupee.

In preparing the financial statements, transaction in foreign currencies are recognised at the rates of exchange prevailing at the dates of the transactions. Exchange differences arising on foreign exchange transactions settled during the period are recognised in the Statement of profit & loss of the period.

The foreign currency monetary items are translated using the closing rate at the end of each reporting period. Non-monetary items that are measured in terms of historical cost in a foreign currency shall be translated using the exchange rate at the date of the transaction. Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous financial statements shall be recognised in profit or loss in the period in which they arise. All other foreign exchange gains and losses are presented in the statement of profit and loss on net basis.

n. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) Initial Recognition and measurement

All financial assets and liabilities are recognized at its fair value plus transaction cost that are attributable to the acquisition of the financial assets and liabilities other than financial asset and financial liabilities at fair value through Profit & loss. However, trade receivables that do not contain significant financial component are measured at transaction price.

(ii) Subsequent measurement

Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

A financial asset is measured at fair value through profit and loss unless it is measured at amortized cost or at fair value through other comprehensive income.

Financial liabilities

The financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate transaction value due to the short maturity of these instruments.

o. Impairment of assets

(i) Financial assets

The company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss.

Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in statement of profit or loss.

(ii) Non-financial assets

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in use) is determined for the Cash Generating Unit to which the asset belongs. If such assets are considered to be impaired, the impairment to be recognized in the statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset.

p. Cash and cash equivalents

The Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with a maturity period of three months or less from the balance sheet date, which are subject to an insignificant risk of changes in value.

Notes forming part of financial statements for the year ended March 31, 2023

q. Provisions and Contingencies

A provision is recognized when there is a present obligation as a result of past event and it is probable that there will be an outflow of resources in respect of which a reliable estimate can be made. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements. Contingent assets are not recognised.

r. Leases

Effective April 1, 2019, the Company adopted Ind AS 116 “Leases” and applied the standard to all lease contracts existing on April 1, 2019 using the modified retrospective method on the date of initial application. Consequently, the Company recorded the lease liability at the present value of the lease payments discounted at the incremental borrowing rate and the right of use asset at its carrying amount.

The Company’s lease asset classes primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

The Company recognizes a right-of-use asset (“ROU”) and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

s. Recent accounting pronouncements

Ministry of Corporate Affairs (“MCA”) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, as below.

Ind AS- 1- Presentation of Financials Statements-

This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies.

Ind AS-8 Accounting Policies, Changes in Accounting Estimates and Errors

This amendment has introduced a definition of “accounting estimates” and included amendments to Ind AS-8 to help entities distinguish changes in the accounting policies from change in accounting policies.

Ind AS- 12 Income taxes

This amendment has narrowed the scope of initial recognition exemption so that it does not apply to transaction that give rise to equal and offsetting temporary differences.

a) Capital management

The Company manages its capital to ensure that the Company will be able to continue as a going concern while maximising the return to stakeholders through efficient allocation of capital towards expansion of business, optimisation of working capital requirements and deployment of surplus funds into various investment options.

The Company's capital requirement is mainly to fund its capacity expansion and repayment of principal and interest on its borrowings. The principal source of funding of the Company has been, and is expected to continue to be, cash generated from its operations supplemented by funding from borrowings from banks and other parties.

The Company monitors its capital using gearing ratio, which is net debt divided to total equity. Net debt includes, interest bearing loans and borrowings less cash and cash equivalents, bank balances other than cash and cash equivalents while equity includes all capital and reserves of the Company.

The fair value of financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties in an orderly market transaction, other than in a forced or liquidation sale.

Fair value hierarchy

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

c) Financial risk management

The company has a risk management committee which has the responsibility to identify the risk and suggest the mitigation plan for the identified risks in accordance with the risk management policy of the Company. The risk management policies are established to ensure timely identification and evaluation of risks, setting acceptable risk thresholds, identifying and mapping controls against these risks, monitor the risks and their limits, improve risk awareness and transparency.

These risks include market risk (including currency risk and interest rate risk), liquidity risk and credit risk.

(i) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise two types of risks: foreign currency risk, interest rate risk.

Foreign currency risk management

The Company operates internationally and is exposed to foreign exchange risk arising from foreign currency transactions primarily with respect to USD, GBP CAD and EURO. Foreign currency risk arises from future commercial transactions and recognised assets and liabilities denominated in a currency that is not the Company's functional currency. The Company evaluates exchange rate exposure arising from foreign currency transactions and follows established risk management policies, including the use of derivatives like foreign exchange forward contracts to hedge exposure to foreign currency risk.

Foreign currency sensitivity

The following table details the Company's sensitivity to a 5% increase and decrease in the ₹ against the relevant foreign currencies. (+)(-) 5% is the sensitivity rate used when reporting foreign currency risk internally to key management personnel and represents management's assessment of the reasonably possible change in foreign exchange rates.

Particulars	₹ in Lacs

Net impact on profit before tax - decrease- 5 %	(276.06)	(0.89)	(4.62)	(1.31)

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk because funds are borrowed at both fixed and floating interest rates. The borrowings of the Company are principally denominated in rupees and US dollars with a mix of fixed and floating rates of interest. The Company has exposure to interest rate risk, arising principally on changes in base lending rate and LIBOR rates. The Company uses a mix of interest rate sensitive financial instruments to manage the liquidity and fund requirements for its day to day operations like demand loans and working capital loans.

The following table provides a break-up of the Company's fixed and floating rate borrowings: -

Particulars	₹ in Lacs	
	As at March 31, 2023	As at March 31, 2022
Fixed rate borrowings	277.87	3,065.50
Floating rate borrowings	25,294.86	29,461.69
Total borrowings	25,572.73	32,527.19

(ii) Liquidity risk management

Liquidity risk refers to the risk of financial distress or high financing costs arising due to shortage of liquid funds in a situation where business conditions unexpectedly deteriorate and requiring financing. The Company requires funds both for short term operational needs as well as for long term capital expenditure growth projects. The Company relies on a mix of borrowings, capital infusion and excess operating cash flows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium term expansion needs. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

(iii) Credit risk management

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Customer credit risk is managed centrally by the Company and subject to established policy, procedures and control relating to customer credit risk management. The company also assesses the creditworthiness of the customers internally to whom goods are sold on credit terms in the normal course of business. The credit limit of each customer is defined in accordance with this assessment. Outstanding customer receivables are regularly monitored and any shipments to overseas customers are generally covered by letters of credit.

The impairment analysis is performed on client to client basis for the debtors that are past due at the end of each reporting date. The company has not considered an allowance for doubtful debts in case of trade receivables that are past due but there has not been a significant change in the credit quality and the amounts are still considered recoverable.
